

MOANA IS MADE AND SENT INTO THE WORLD WITH LOVE. LOVE TRANSFORMS US, GIVING US HOPE, JOY AND CONFIDENCE. LOVE CHANGES US AND THOSE AROUND US. WITH THAT THE WORLD CHANGES.

## Effective from Pristine New Zealand

Extensive research has yielded that the nutrients in red seaweed are able to penetrate deep into your skin, more efficiently than any other ingredient. Marine glycans from red seaweed have a 60% higher absorption rate than those from traditional brown, blue or green algae. Red seaweed contains SPD enzymes, molecules that are small enough to easily penetrate your skin's dermal barrier, carrying nutrients deep into your cells.

## Moana is at the forefront of a new generation in skin care

- Certified organic

### How to use:

- 1 Cleanse:** Start your daily ritual with a warm moist towel and wet your face. Apply two drops of Moana Cleansing Milk to your fingertips and gently massage into your skin using circular movements. Remove residue with a wet warm towel.
- 2 Hydrate:** Tap onto your skin a few drops of Moana Serum gently with your fingertips, especially around the eye, neck and décolleté area. Finish off by applying Moana Renewal Day Cream in circular movements until it is fully absorbed.
- 3 Nourish:** Twice a week, apply Moana Nourishing Mask evenly onto your face, neck and décolleté area. Use daily around your eyes. This weekly anti-ageing practice will enhance the youthful appearance of your skin and help diminish fine lines and wrinkles.
- 4 Detoxify:** Your evening treatment includes a second application of our Moana Cleansing Milk, this will remove make-up and environmental build-up. Finish off by gently tapping on a few drops of Moana Night Repair Serum and get ready to detox your skin while you sleep.
